

***RETURN OF THE TRIANGLE MATCH***

Burlington Wentworth and Guelph (in that order)

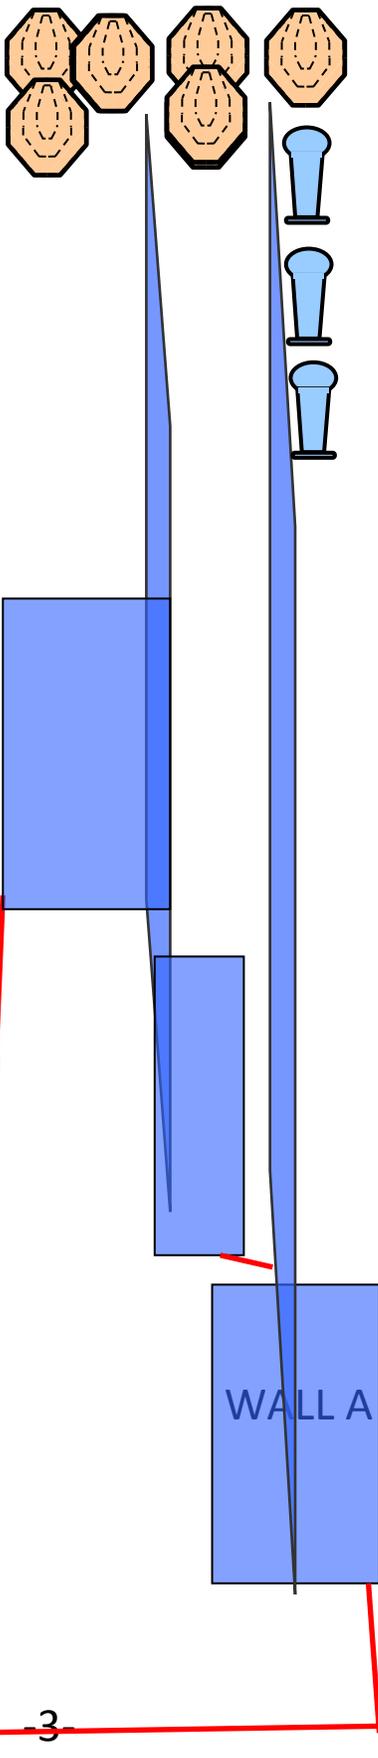

NOVEMBER 18, 19 AND 20, 2016

All diagrams may be subject to slight modifications to meet safe angle of fire in an indoor range situation

All stage will be presented at indoor ranges- as such target heights may slightly exceed maximum specified by current rules.

As per Canadian exemption all steel will be 10+1 M from the steel backstops

### Burlington Range Right

#### STAGE 1

Medium course of fire consisting of 6 IPSC targets and three IPSC mini poppers

Min. rounds scored:15

Maximum points: 75

Start audible

START POSITION: Standing in front of “Wall A” back to wall as demonstrated.

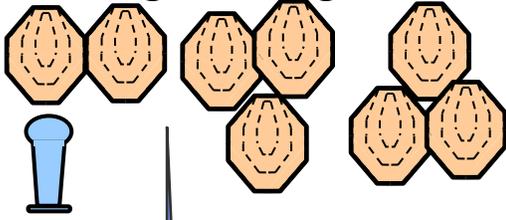

STAGE PROCEEDURE: Shoot all targets as they become visible.

Stage notes: Wall closest to the backstop is 11 M from the steel backstop.

Stage is 6 feet wide. Wall A is 20 M from closest mini popper. All walls 5.5 M tall.

...3

## Burlington Range Left

### STAGE 2

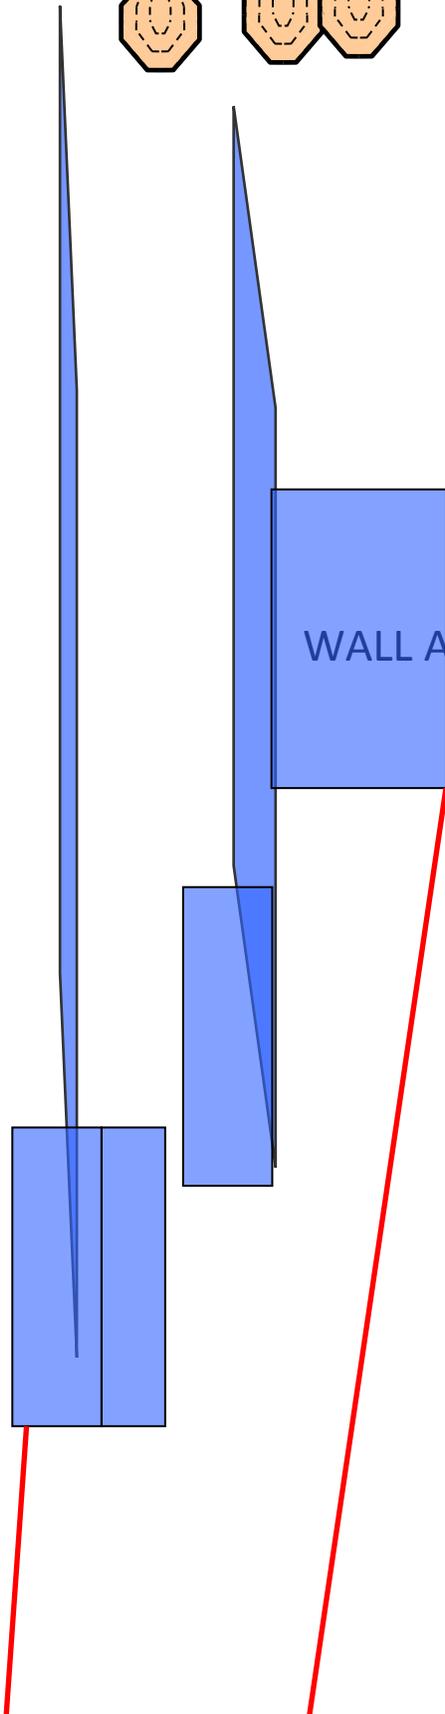

Medium course of fire consisting of 8

IPSC mini targets and 1 IPSC Mini popper

Min. rounds scored: 17

Maximum points : 85

Start audible

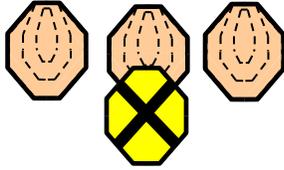

START POSITION: Heels touching anywhere on the rear fault line.

STAGE PROCEEDURE: On the audible shoot all targets as they become visible

STAGE NOTES: Wall A is 11M from backstop. Wall B is 15 m from backstop. Middle wall is 12M. Stage is 6 feet wide.

## Burlington middle left

### STAGE 3

Short course of fire consisting of 3 IPSC targets and 1 IPSC no shoot.

Start on audible.

Min. rounds scored: 12

Maximum points : 60

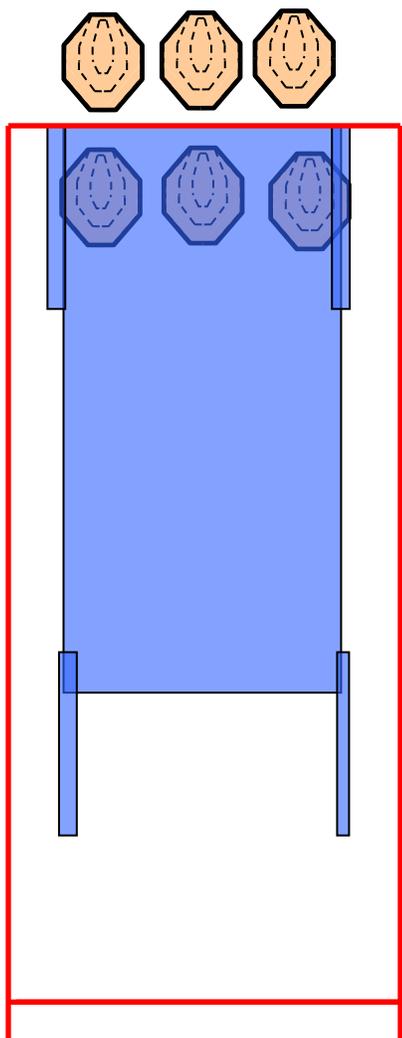

START POSITION: In area "A" facing up range in the surrender position.

STAGE PROCEEDURE: On the audible engage T1 to T3 with 2 rounds each, perform a mandatory reload and then re-engage T1 to T3 with a minimum of 2 rounds each.

STAGE NOTES: Area "A" is to be 1M square. The forward fault line is to be 9 M from the targets

### Burlington middle right

#### STAGE 4

Short course of fire consisting of 6 IPSC

Mini Targets

Start on audible.

Minimum rounds: 12

Maximum points: 60

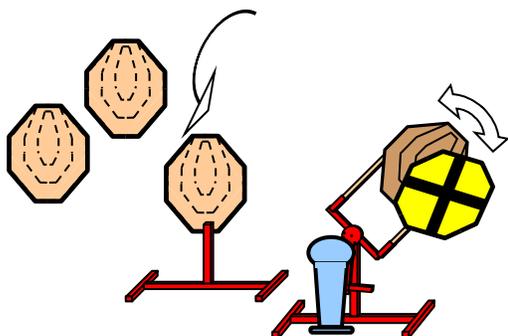

START POSITION: Hands touching the top of the table.

STAGE PROCEEDURE: On the audible shoot T1to T6 from within the designated area.

Stage Notes: Table top to be made 4 feet wide and 8 foot long piece of plywood 4 feet from floor. Fault line is to totally surround table so that inadvertent resting of hand of table is not a fault. The three upper mini targets are to be 5 feet from the floor as measured at the top of the target. The lower display is to be 3 foot 6 inches from the floor as measured at the top of the targets. Rear fault line to be 3 feet from rear legs of table
