

NROI Ontario

L3 Officials' Accommodation Support

It is the goal of NROI Ontario to assist in the delivery of quality Level III matches in Ontario. Through partnership with IPSC Ontario Board of Directors, this policy aims to subsidize the associated accommodation and/or travel costs incurred from utilizing the eligible Ontario officials deemed necessary to ensure consistency over the entirety of the match.

To this end, IPSC Ontario will provide a stipend to L3 Match Directors equal to

- i) one half of the accommodation stipend as described in the Call for Officials **OR**
- ii) one half of the hotel bill as provided by receipts

for the Range Master, Chief Range Officers, Stats Officer and Quarter Master.

For a match to be eligible it must:

- Be an approved and sanctioned Level III
- Satisfy all IPSC match policy requirements
- Utilize NROI Ontario for consultation and recruitment purposes including the Call for Officials and follow-up reports as requested. It is important to note that while NROI utilizes this involvement for training and tracking purposes, the final decisions on staffing lie solely with the Match Director and Range Master.
- Provide details to the NROI Ontario Coordinator and IPSC Ontario Board at the completion of the match that include names of eligible officials, positions they occupied and total amount requested

For an official to be eligible they must:

- Be a current NROI Ontario official.
- Fulfil one of the listed roles (RM, CRO, SO, QM) for the full duration of the match.

Please note, this initiative aims to support L3 Match Directors in their efforts to improve match consistency through dedicated staffing, communication and mentoring. Match organizers are welcome, and encouraged to provide whatever additional incentives, bonuses or benefits they wish as a means to improve response and thank officials.
